OUR MISSION

The mission of the Tyler Parks and Recreation Department is to improve quality of life for our citizens and guests by providing superior parks, cemeteries, recreational and tourism opportunities.

Throughout the year, the Department hosts or sponsors special events such as Movies in the Park, summer youth programs, the Fall Family Fun Festival, Holiday in the Garden, fishing clinics, and so much more. Thank you for supporting our events and programs!

You Can Help... sign up or become a sponsor today!

The Mission of the Tyler Trees Committee is to preserve, protect and plant trees within the city in order to enhance the quality of life for citizens and visitors of Tyler.

The Tyler Trees Committee is a leader in east Texas urban forestry and has direct impacts on the forest resources that our community enjoys. They provide tree plantings, tree giveaways, public education classes, and implement research projects each year.
